“I enjoy assisting clients in navigating the legal environment, so that they can focus on business without worry whether legal documents have been properly filed or managed. I’m passionate about helping people build things—property, buildings, ideas—by providing ‘behind the scenes legal support’ to facilitate client needs.”

Chris joined Miller Nash in 2021 as a paralegal on the firm’s business team. Chris has over 23 years’ experience in the legal industry, and assists the firm’s attorneys with corporate governance matters, supports complex real estate transactions, including mergers and acquisitions, aides in the formation and dissolution of domestic and foreign corporations and limited liability companies, and provides support with securities compliance filings.

Personal Activities

Away from the office, Chris focuses her free time on raising and showing Quarter Horses and Fox Terriers.

Education

L.L.M., University of Oregon School of Law, environmental & natural resource law, 2009

J.D., University of the Pacific, McGeorge School of Law, 2003
