“I combine creativity with in-depth knowledge of the law to ensure that the firm’s clients are successful and thriving. There is nothing more important to me than the present and future success of our clients, and exceeding clients’ expectations.”

Brenna Dickey is a PACE® registered paralegal and works extensively in general business and transactions with a focus on mergers and acquisitions; entity formation, maintenance, and governance; contract management and review; and general business, regulatory compliance, and finance matters. She researches and performs due diligence for transactions, corporate diligence issues, and other contractual matters.

Brenna drafts and updates due diligence checklists, reviews possible transaction structures, creates and maintains data rooms, performs UCC, litigation, and lien searches, organizes and prepares closing documents, and drafts and files UCC financing statements. Brenna assists start-up companies and large, established businesses.

Brenna has comprehensive experience drafting organizational and governance documents for various entity types and keeps abreast of all changes to laws and administrative rules affecting entities. She ensures statutorily mandated requirements are met for clients’ companies.

Representative Experience

Business & Corporate Transactions

- Assist clients with entity formation, operating agreements, and other issues related to establishing a new business.
- Performed due diligence for multi-tranche convertible debt offering for privately held, early-stage company.
- Assisted with due diligence review and filings related to Cascade Corporation's \$760 million acquisition by Toyota Industries Corporation. The negotiated transaction was structured as a public tender offer followed by a merger of a subsidiary of Toyota Industries into Cascade in which all shares not acquired in the tender offer were acquired for the tender offer price. Prior to the transaction, Cascade was a public reporting company listed on the New York Stock Exchange.
- Assisted privately held Widmer Brothers Brewing Company in a merger with Redhook Ale Brewery, Incorporated, in which Widmer shareholders received SEC-registered stock valued at \$50 million.
