“My focus on superior customer service and passion for going the extra mile is my key to client satisfaction. Being competent and patient while exercising my strong organization skills allows me to provide timely and accurate solutions for our clients.”

Ashleigh Miller is an experienced paralegal supporting the firm’s real estate department and condemnation team. Her effective communication skills help her serve as a liaison with clients, attorneys, and service providers.

Ashleigh has extensive litigation experience that includes complex document preparation and production, including discovery and supporting exhibits for trial and mediation. Clients and colleagues value Ashleigh’s organization skills and ability to work in a fast-paced environment.
